

Study Week Hymn

Unison

Lyrics - Sis. Gwen Madden

1. I hear the voice of Jesus say
"Come now and dwell with me
The tree of Life I'll share with you
A crown of Life I promise too...
To him that overcometh – to him that's overcome"

2. I hear the voice of Jesus say
"Of death – the battle's won!
No more to suffer for sin's sake
Of hidden manna we'll partake
To him that overcometh – to him that's overcome"

3. I hear the voice of Jesus say
"Keep my works to the end
You'll reign with me the nations far
I'll give to you the morning star
To him that overcometh – to him that's overcome"

4. I hear the voice of Jesus say
"Your raiment's purest white
They'll come to worship – bended knee
They'll know the love I have for thee
To him that overcometh – to him that's overcome"

5. I hear the voice of Jesus say
"Hold fast until I come –
A pillar in his house you'll be
His name in you for all to see
To him that overcometh – to him that's overcome"

6. I hear the voice of Jesus say
"Behold I quickly come
The suffering o'er – the crown is sure
My throne to share forever more
To him that overcometh – to him that's overcome"
